

1. Background

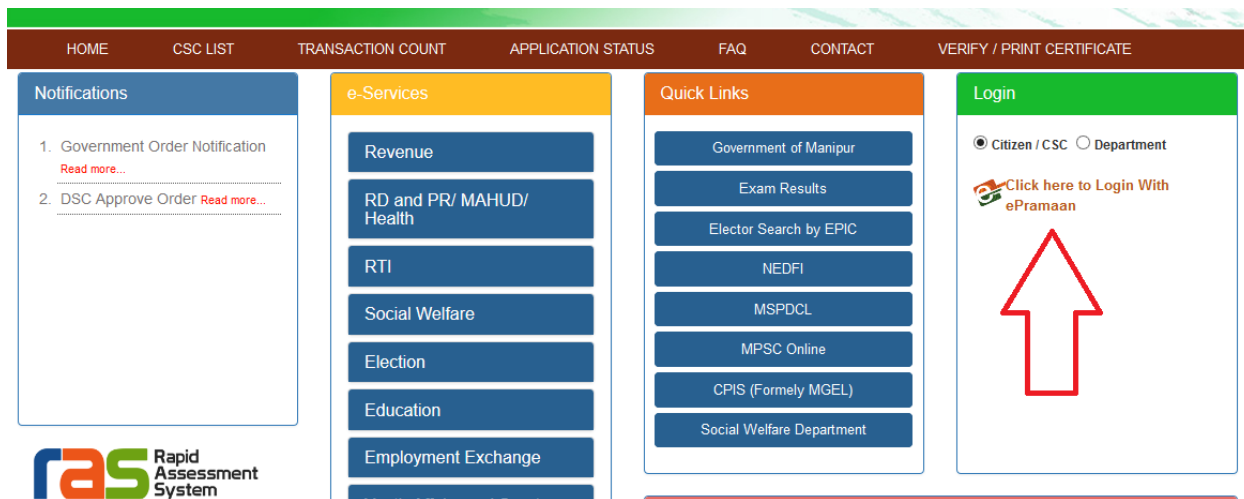

e-Pramaan is a National e-Authentication Service along with Aadhaar conceptualized by the Department of Electronics and Information Technology (DeitY), Government of India with Centre for Development of Advanced Computing (C-DAC). The scope of the project is to formulate authentication standards, develop pluggable authentication components and subsequently provide e-Authentication as a service to government departments for providing a secure and convenient way for users to access government services via internet/mobile as well as for the government to assess the authenticity of the users.

2. Step - 1

Open any web browser and type “ <https://eservicesmanipur.gov.in> ”

Step 2:
